

Service Pack 2022

Released April 2022

Your Trusted IT Solution

Alexander's Computer - 18 Years of Service

Thanks to your solid referrals, ACS continues to grow.
However, you have our commitment that the quality will not diminish with quantity.

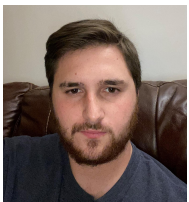

New Hours as of May 1st for the Rapid-Response Help Desk
Monday - Thursday 8am - 6pm, Friday 8am - 4pm
Closed Saturday & Sunday
Family Time is also important!

We are asking God to provide an individual to join our team

- Integrity ~ Self-disciplined ~ Respectful of others
- Driver's license and vehicle ~ Eager to learn basic computer skills

Migration to the Cloud: As the value of data increases, we continue to usher our clients to use secure online storage. If you have not yet moved your data to the cloud at least for backup and archiving purposes, please give us a call to understand the importance of this step.

Mark moved to NY state to become a full-time pastor but remains with ACS thanks to our "ACS Remote-Worker Configuration." Mark uses the same phone system, protection, and remote access which is also available to your business today.

Services Designed for Remote-Workers

- ☐ Voice-Over-IP Phones
- ☐ Web-Based Faxing
- ☐ Cloud-Based Firewall

Cindy and I celebrated our 40th Wedding Anniversary with Chris and Heather a few weeks ago. They treated us to a new experience - throwing hatchets. Who would have known you can have that much fun legally!

We are blessed by God and pray you are as well.
